Flight Control Rental Agreement

Between

Rocky Mountain Aircraft
129 MacLaurin Drive
Calgary, Alberta T3Z 3S4
(RMA)

and

(Customer)

Flight Control Part Number _____ Flight Control Serial Number _____

TSN _____ CSN _____ Agreed outright value _____

First Month's rent _____ Subsequent Months or parts thereof _____

Customization/Modification(s) _____

Conditions:

- The rental period starts on the date that the Flight Control is available from **RMA** for pickup.
- The rental period ends on the date that the Flight Control is received at **RMA** complete with certification including fully executed Component History Card.
- The returned flight control will be fully inspected upon its return to **RMA** at **RMA's** own expense.
- Any defect rectification required as a result of discoveries made during the inspection will be at the **Customer's** expense billed at **RMA's** standard shop rate, regardless of whether the damage was caused during installation, use, removal or shipping.
- The cost of defect rectification will never exceed the agreed outright value.
- **Customer** required customization or modification to be completed at **Customer's** expenses and is non-refundable.
- All freight and brokerage both to and from the **Customer** is at their expense.

If the flight control is being provided while **RMA** repairs the client's flight control, the following conditions apply:

- A Flight Control Rental Agreement must still be completed.
- The first month's rent will be waived if the client's flight control is received at **RMA** within that time frame.
- Each subsequent month's rent will be waived while the client's flight control is being repaired at **RMA**.
- The rental charges will resume on the thirty first day after the client's flight control leaves **RMA**.
- All other conditions apply.
