

PDA COCKPIT UNDERFLOOR DUCTING

IMPROVED MANUFACTURING

Using state of the art manufacturing techniques, Rocky Mountain Aircraft has engineered a high quality air duct created from high performance polymers.

DESIGNED WITH DURABILITY IN MIND

This will ensure durability and ease of installation. Mounting provisions are incorporated into the design. As a result, versatility and strength are achieved.

PDA BLEED AIR DUCTS

Y-DUCT

RMA-C6VF1149-1

Part Number	OEM	Description
RMA-C6VF1149-1	C6VF1149-1	Y-Duct
RMA-C6VF1050-3SP	C6VF1050-3SP	Duct
RMA-C6VF1062-1SP	C6VF1062-1SP	Duct
RMA-C6VF1145-1	C6VF1145-1	Duct
